## Holy Name Society Honors CYO Champs

### 100 Men Attend Banquet; Trophies and Medals Are Awarded

The basketball champions representing St. James church at Arlington Heights in the C. Y. O. league were honored Tuesday night with a banquet by the Holy Name society in St. James hall. James D. Kelly, basketball coach at De Paul university was the speaker of the evening.

This team of heavies has won the division championship for the third year. They were awarded medals by Rev. Wagener.

Included in the medals and honors for the evening was Coach Hayes, who has had charge of the team the last two years. During the evening Mr. Hayes received a sport sweater presented by Wally Annen in behalf of the team.

Rudolph Rizzio, president of the Holy Name society, passed on the honors of toastmaster to George Glow and between the two of them there was not a dull moment during the three hours spent around the banquet table and in the program that followed.

The championship trophy was presented by Ben Pitzen to Rev. Wagener, who accepting it in behalf of the parish, congratulated the players, whom he said were a credit to the parish and who by good playing and good sportsmanship had won the championship for the third successive year.

Coach Hayes complimented the boys on the spirit they have shown and declared that the success that had been theirs was won by their loyalty and spirit, and giving everything they had. "Nothing in sports has given me as much pleasure," stated Mr. Hayes, "as my experience with the St. James boys." The toastmaster replied, "the boys have benefited by having been under the influence of Mr. Hayes."

### SEASON RECORD

The St. James heavyweight basketball team brought the third C. Y. O. division championship to Arlington Heights in as many years when they finished their season undefeated. In the elimination tournament, which followed the division play, they were defeated by one of the strongest teams present.

Absence of Frank Brodman contributed much to the defeat.

In compiling their record of ten consecutive victories the heavies gave away weight and height to a majority of their opponents. Fans were always rewarded by the sight of a team which could handle the ball with precision, pass accurately shoot well, break fast through a defense, and guard almost perfectly. No team penetrated them consistently nor could any guards hold them in check throughout a game.

In an early season game the heavies served notice of their class when they came from behind to beat St. Cornelius heavies. Trailing by three points in the first half, they rallied to lead at the half way mark and went on to win by sixteen points. Later they trounced the same team again. That team tied for second place with the St. Hedwig's, which followed the division twice by doubled scores. Courage and team spirit played an important part in these victories.

The lightweight team finished fourth in their division. They were handicapped by the loss of J. Long in mid-season, when he failed to make weight at the second weighing-in. Younger players were added.

## FINAL SESSION OF OLD BOARD

### New Ordinance Gives Mayor and Aldermen Monthly Salary

Hereafter the mayor and aldermen of the village of Arlington Heights are to receive monthly pay checks. The head of the village government will receive \$40 a month and the aldermen \$20 each.

A position on the village board becomes something aside from just a title. In addition to the labor and time taken during regular business hours and the many evenings away from home, there will now be a salary. Heretofore the governing body of the municipality, the men whose job it is to direct the spending of some \$50,000 a year, have received only a nominal amount for their services. The amount is still nominal, but it will be regular.

The salary of the aldermen is monthly regardless of the number of meetings they may be called upon to attend. Also if a board member misses a meeting he gets a salary cut.

The ordinance placing the board members upon a monthly basis in place of the per diem plan, was passed by the board last Friday night.

Before canvassing the election returns the board passed a resolution renewing note at the Des Plaines State Bank, which renewal was necessary on account of delay in receipt of the FWA grant from the State.

The board met again Monday night, when an ordinance was passed regarding the sale of contraceptives by others than physicians and registered druggists.

The clerk reported the village's share of gas tax for the month of March as \$395.55.

The state highway department has approved the contract recently awarded the Arlington Seating Co. for materials to be used in refitting Foundry road.

### The Chautauqua to be A Great Triumph

The talent that on former occasions has rendered such successful programs are at their best on the chautauqua program to be given next Friday evening in the gymnasium of the M. E. church, Arlington Heights. Mr. William Franke will be general director which will assure a delightful evening. There will be four one half hour programs offered at the price of 25 cents. Miss Langworthy, the contralto whistler is a very pleasing personality and pleases her audiences with her rare art. She comes highly recommended by many written testimonials and will delight the audience of Arlington Heights.

### Junior Stampede at Arlington Club, Dundee Road, Saturday Night

Arlington Heights chapter, Order of Builders, has made some big plans for their Stampede Saturday evening, April 27. It will be held at the Arlington Club, former Olympic golf club, on Dundee road, where there is an ideal dancing floor and large lounge parlor for those who do not desire to dance.

Earl Friedrich's orchestra will play the opening number at 9:00 o'clock and home sweet home at 1:00. The admission is only 40c a person. Tickets can be secured from any builder, or from the following committee: John Schulerberg, Fredrick Lauterburg, James Haupp, and Earl Friedrichs.

### HRDLICKA'S RESTAURANT CELEBRATE ANNIVERSARY WITH A TURKEY DINNER

Hrdlicka's Restaurant, 19 N. Vail Ave., will celebrate its first birthday Sunday with a turkey dinner. The proprietor has many friends in both Arlington Heights and Des Plaines and says that there will be enough turkey to feed them all. The price will be 65 cents with all the fixins included.

## BABY HEALTH WEEK HERE STARTS NEXT MONDAY

The Arlington Heights Public Health Committee has set aside the first week in May as Baby Week, beginning Monday, April 29, and running through to Saturday, May 4. This is the week that the Infant Welfare of Arlington Heights will put on its annual campaign for funds to carry on the work of our Baby Clinic. A house to house canvass will be made during the week and on Friday morning, May 3rd, a group will tag at the C. & N. W. Railroad station.

The Baby Clinic has been operating in Arlington Heights for over fifteen years and experience has proved that the tag day is the best way of raising money to carry on this good work. Every one in the community will be asked to contribute whatever amount he can afford. A special request is made of all to be courteous to the ladies who are going to do the house to house canvass as they will be giving their time and efforts just to help such a worthy cause.

The Arlington Heights Baby Clinic has done a tremendous amount of real, practical good in our community. The Clinic is held once every month throughout the year and the records show that hundreds of mothers with their babies have

attended since it was started over fifteen years ago and many babies have been helped by the Clinic. It would be well to add right here that very accurate and complete records are kept of all babies that attend. It would also be well to add that the purpose of the Clinic is not to cure sick babies—that is for the family physician—but to keep well babies well.

The Clinic is open to every Mother and baby of Arlington Heights and the service is free to all. All Mothers and babies are welcome at any time. Like everything else, it costs money to operate the Clinic—not so very much as the expenses are cut down as low as possible—but the Doctor and Nurse must be paid. Money must be raised and the house to house canvass next week is for this purpose. It is hoped that enough money will be collected to carry the Clinic thru for a whole year. So open your door with a smile to the worker who will call on you and give as much as you can afford and see if you don't experience a feeling of joy and satisfaction by contributing your share to one of the most worthy causes of the community—the health of the babies of Arlington Heights.

## A & P New Store Opens Saturday

Mr. Wilson, manager of the A & P northside store, opposite the theatre, is the store, opposite the new northside A & P home.

This company recently installed a similar store at Palatine, which has been warmly received by the people of that town. Special sale prices and features at the new Arlington Heights store are expected to bring a record-breaking sales crowd during Friday and Saturday. Week-end sales at A & P stores are advertised each week in the Paddock publications.

## COUNTY ASKS POLLUTION OF WATER STOP

### Forest Preserve Streams Damaged by Wastes of 21 Communities

Twenty-one communities are cited for polluting the streams which flow through Cook county's forest preserves in a resolution introduced at the Wednesday meeting of the Cook county forest preserve commissioners.

The resolution asks the State Sanitary Water board to "proceed with all possible dispatch to enforce the laws with which they are charged, with reference to stream pollution, and principally to secure the discontinuance of pollution from such villages as Libertyville, Wheeling, Gurnee, Elmhurst, Villa Park, Bensenville, Itasca, Bloomingdale, Highland Park, Highwood, Deerfield, Crete, Steger, Flossmoor, Hazel Crest, Matteson, Tinley Park, Lansing, South Chicago Heights, Glenwood and Thornton.

Five of these places, Elmhurst, Villa Park, Bensenville, Itasca and Bloomingdale, are in DuPage county, but the streams which they are polluting later flow through Cook county's forest preserves. Palatine, against whom the water board issued an abatement order recently, is conspicuous by its absence from the list of 21 offenders.

The resolution, introduced by Clayton F. Smith, president of the forest preserve board, recites that 75 miles of streams lie within the forest preserve district, and 90 per cent of this is "grossly polluted" by sewage which "comprises a real menace to the health of the millions of people using the forest preserves annually, and limits very seriously the possible recreational value of the district's holdings."

All of Illinois outside the jurisdiction of the Chicago Sanitary district is under the control of the sanitary water board as far as the matter of stream pollution is concerned.

## NEW CITY DIRECTORY ON THE WAY

### Support of Business Men Permits Free Circulation of New Edition

Arlington Heights is to have a new city directory. Compilation of statistics is now under way and the book will be circulated sometime in June. The support that the new directory has received from local business men will permit its free distribution to every home in town.

The first and only directory ever issued in Arlington Heights was compiled by Wm. F. Meyer five years ago. It proved to be of great value and existing copies today are treasured by those who still have them.

The task of compiling the data and soliciting the advertisements has been undertaken by Mrs. M. T. Daniels, who began the house to house canvass this week. Upon its completion there will be new census figures available.

### Gateley Wheelers Visitors, Local Club Looks for Successful Season

After losing an eleven inning exciting pre-season game by the close score of 2 to 1, at Glen Ellyn last Sunday, the Arlington Red Wings are all set to open up their '35 season of baseball Sunday afternoon, when they meet the Gateley Wheelers, a strong Chicago semi-pro club at the Red Wing ball park.

With this team rating a strong club, a good fast game should be in store for the fans attending the opener. For with a few new faces in the line up and some changes in position for some players, the Red Wings will be strengthened both on the field and at the plate.

Mr. Chas. Page has again accepted the reins of manager this season and it is hoped that under his management the club will again enjoy another successful season.

Striving to give good, clean baseball as a Sunday recreation in Arlington Heights, the club heartily invites all fans to come out and enjoy themselves at the games on Sunday afternoons this coming season, which will find the club going into their sixth season as an organized baseball club in Arlington Heights.

A little more color in the way of new Sox and new style caps has been added to the appearance of the players. This was made possible by the same group of business people in and around Arlington Heights, whose names now appear on the back of the players uniforms.

The game Sunday will start promptly at 3:00 o'clock daylight saving time at the Red Wing ball park on South Highland avenue.

## Big Meat Specials At Krause's Market

Meat specials are not unusual at Krause's Cash Market, but they are bigger than ever for this week-end. Veal is the best buy for Sunday dinner according to Mr. Krause and he has it priced especially low. Not alone shoppers in Arlington Heights, but shoppers in neighboring towns read the Krause market adv., which appears on page two of the Herald each week.

We are sure there are no "cattish" members in this cheerio group, and will be sure to join our Sophia Brinkman in her jolly peals of laughter.  People who don't set their clocks ahead an hour before retiring Saturday night will find themselves an hour behind their neighbors when they arise Sunday morning, for daylight saving time begins Sunday when 1 a. m. becomes 2 a. m. and everyone again becomes tangled in a mathematical snarl every time a railway timecard is consulted.  
 Just to untangle it, the 7:01 leaves at 8:01 by your kitchen clock, and the train which the railroad considers the 3:54 is the 4:54 to the rest of us. The change of time will go into effect through-out Chicago and the suburbs from the lake shore to Barrington.

The social luncheon given by the April group of the Dorcas Aid was a pleasant success. Their 47 tables for games. Guests from Des Plaines and Mount Prospect. "And a good time continued to be had."

Her nieces and their families, Mr. and Mrs. Fred Langhorst, Mr. and Mrs. Charles Gaare of Palatine, and Mr. and Mrs. Bennebest from Roselle, Mrs. Thomas was among the guests. They brought Easter cheer with them and no shadow of the monster depression came over to spoil the pleasure of the happy hostess and her guests.

Men to Present Own  
Style Show May 15  
At St. James Hall

Style shows with the fair sex as the models has not been such a drain upon the pocketbooks of the men in Arlington Heights, whose wives and daughters act as models and afterwards become "the even" with the women who wear, that the men folks are going to turn the tables and see if the family budget will stretch their way for once.

A masculine style show has been announced by the Holy Name Society of St. James church for May 15. There will be breakfast clothes, luecheon clothes, dinner clothes and lounging clothes, including the "evening" gown and slippers. A search will be made for the best male figure in Arlington Heights to model the latest fashioning suit. There is a rumor that a wedding party will be on the program. The Herald will give new details in coming issues as the men think them up.

This show will be managed and directed by men only. A dance with Fredrichs' orchestra will follow.

CHRISTIAN SCIENCE CHURCHES

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 21.

The Golden Text was, "Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation" (Hebrews 9:28).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "But now in Christ Jesus ye who sometimes were afar off are made nigh by the blood of Christ. For he is our peace, who hath made both one, and hath broken down the middle wall of partition between us; For through him we both have access by one Spirit unto the Father. Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God" (Ephesians 2:13, 14, 18, 19).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "What God's wrath should be vented upon His beloved Son, is divinely unnatural. Such a theory is unmade. The atonement is a hard problem in theology, but its scientific explanation is, that suffering is an error of sinful sense which Truth destroys, and that eventually both sin and suffering will fall at the feet of ever-lasting Love" (p. 23).

CHURCHES

What a consolation it is to those who are constantly told that our churches and Christian faith are dying out—yes, what a consolation to witness the churches in our town so enthusiastically and earnestly keeping the Holy Week with continued and well attended services.

The Lutheran and St. John's churches held their services with a sunrise prayer meeting Easter morning, well attended by the young people, evidence that the coming generation are staunchly standing by the "Faith of the Fathers."

The Methodists had their regular Easter service led by the pastor and a beautiful Easter anthem. The organ, the choir and their unexcelled leader, Mr. Theodore Miller, was beautifully given.

In the Presbyterian church there were services every night, during Holy week. Good Friday night there has not been in over forty years such a crowd of people to participate.

Easter Sunday they came again, bringing children and grandchildren to enter into baptism and Christian faith. Eight infants and small children were christened, and 24 were received into membership. Some by letter, some by confession of faith, others by reaffirmation, in all 21 adults received into membership. It was an encouraging service to pastor and people, and to all who desire to see the witness of Christian Faith is not dead.

Services at St. James R. C. church, were also well and enthusiastically carried out through the holy days preceding Easter Sunday morning. All the services were well attended, especially the 10:15. The church was made beautiful by the decorations so impressively arranged with flowers forming a background to the boy choir, fifteen in number, who in their trust and courage, touched the hearts of all who witnessed their part in service—were they reminded of the saying of our Lord, "except ye become as little children ye cannot enter the Kingdom of Heaven."

Tablets of sunshine for growing children

SLUSH and snow keep children inside on many winter days. What sunshine they get is weak in the rays that produce vitamin D. No wonder youngsters lose their pep, become victims of winter ills.

It is tremendously important that your children get their share of vitamin D in winter. It prevents rickets, and builds strong bones and teeth. They also need vitamin A to resist infection.

For children especially, we suggest MCKESSON'S VITAMIN CONCENTRATE TABLETS OF COD LIVER OIL. Children love their tangy taste. Each delicious chocolate coated tablet brings all the vitamins in one teaspoonful of U. S. P. X. (revised 1934) Cod

Liver Oil. And in addition it supplies calcium and phosphorus. Give them to your children regularly—and note the results; fewer "colds" and greater resistance to other respiratory diseases, luster, appetites, more pep.

MCKESSON'S VITAMIN CONCENTRATE TABLETS OF COD LIVER OIL are just as good for grown-ups. They help protect you against illness and add to your vitality.

Protect health the vitamin way. Take these tablets regularly. Give them to your children to help them grow strong bones and teeth. Buy them at any good drug store. A dollar bottle brings you 100 MCKESSON'S VITAMIN CONCENTRATE TABLETS.

Women's Club

The Woman's club met for the closing session of the year Wednesday, April 17, in the home of the president, Mrs. B. H. Jarvis.

The presidents report was most perfectly comprehensive and pleasing in the review of the year's work, and its satisfactory results. The treasurer's report was presented by Mrs. B. A. Noyes in a rather ungraceful manner. A circular graph, plainly showing receipts and expenditures. There were routine reports from committees, all satisfactory in their reception. The membership committee reported 28 new members.

The music was vocal selection by Miss Evelyn Jarvis and the director, Mrs. C. E. McWharther, piano, charming and delightful received with appreciation applause.

A characteristic hour by hour account of "Two days activities in the life of a Welfare Nurse," as only our Miss Jackson could give it. It was informing and well told.

Mrs. J. E. Best gave an account of the new public library, which had its nucleus in the club circle years ago.

Mrs. Jarvis spoke of the flower show of the district held April 28 at the Jefferson Park field house, reminding the members of the local club that they were expected to take part in it. This she urged the home club to do. The secretary, Mrs. Jahn, read the report of the Junior League, as prepared by the president, Miss Annen; also read an invitation to the Senior club, to attend a social evening, May 13, 8:15 evening, in the M. E. church.

Following the program, and business formalities, refreshments were served by the committee in charge and a lively hour of talking it over enjoyed.

The officers for the coming year are as follows:  
President—Mrs. B. H. Jarvis.  
First Vice President—Mrs. J. S. Monroe.  
Second Vice President—Mrs. G. A. Glow.  
Recording Secretary—Mrs. William Jahn.  
Corresponding Secretary—Mrs. William G. Frank.  
Treasurer—Mrs. B. A. Noyes.  
Directors—Mrs. Charles Fitzpatrick, Mrs. S. E. Pate, Mrs. Arthur Kaepfel, Mrs. W. L. Fellingham, Mrs. W. M. Grigby.

The president, Mrs. Jarvis, met with the official board Monday evening this week to map out plans for the work of the coming year. Organization, appointment of committees, and so forth.

Brother McGinley, of the organization department of the Fraternal Order of Eagles was at the April 23rd meeting of the Park Ridge Aerie, to launch a new membership drive.

This column has long been extolling the services of the Eagles. Now is your chance to find out for yourselves what it is all about. There will be a series of meetings free to all-comers who are interested or curious to know more about the order. (Refreshments also included.)

More of the details will appear in the Flashes at a later date. In the meantime, prepare yourself for a visit to the Park Ridge Aerie, Fraternal Order of Eagles Aerie for this district.

From all appearances the first annual Easter dance is going to be some ball. Groups of friends are pinning a flock of parties to gather in the clubrooms in the Pickwick building, Park Ridge, Illinois.

MERLE GUILD POST  
No. 208  
AMERICAN LEGION

The Easter Egg hunt sponsored by the Squadron was a huge success and those who attended it, had a good time.

Well, now that Lent is over, we have lots of activities planned for the near future and naturally the first one is our spring dance and frolic to be held May 4 at Louis' Crystal ball room in Fox River Grove. Louis' is a large, airy and very pretty ball room with an excellent dance floor and that with Sinclair's fourteen piece orchestra should spell a good time for those that come out and we hope that we will have a large turnout from the Heights as you know Barrington Post is on this with us. Warren Parker is handling the ticket sales and he will be delighted to sell you more. Let's snap into it and be sure and sell more than Barrington.

Another thing on the program is our "Old Time Dances" these as you know are sponsored by our Drum and Bugle Corps and are held every Saturday up to May 11 at the Union hotel ballroom in Wheeling. Starting that night we will go back to Laurence Schufreiders hall on Milwaukee avenue at Euclid in Glenview.

Spring is here—and that spells baseball—baseball for the Squadron and softball for the post. It is the intention of the posts in our area to form a league of all posts in the area and certainly we want to be in it—and cop any prize offered.

The Drum and Bugle Corps is stepping with our new instructor and Phil says we will have a right snappy corps on Memorial Day.

In a few days you will get your copy of the Ninth. In this paper the meeting nights of the Post, Auxiliary and Squadron are prominently printed—please circle your calendar and on Post meeting nights—make it a point to be there. At our last meeting George Heim, Americanization chairman for the Cook county council, was out and gave a very interesting talk—this was followed by a very interesting floor discussion in which practically every one present took part.

It won't be long now till the 4th of July—however in the meantime we will have four post meetings—try and make at least three. Vic and the entertainment committee are on their toes and they make every meeting blended interesting—show them that you appreciate their efforts by turning out—you won't be disappointed.

Arlington Heights  
Benefit Club Continues  
Record Attendance

Regular meeting of the Arlington Heights Benefit Club was held on Thursday, March 30 with its usual large attendance of members.

The club now has its tenth month of activity, reported a total membership of 146 at present, including non-relief residents, to whom membership in the club is also open, and an average meeting attendance of 60 for all meetings.

Report was made of a visit of the officers and a group of members to a neighboring club in Glenview, to hear Dr. Bickham of the I. E. R. C., as Director of Regional Planning, in a talk on the progress and plans for social security of the needy, now well under way in the State of Illinois. As a result of the interest of Dr. Bickham's talk, the club plans to sponsor a similar lecture by this engaging speaker, in Arlington Heights at an early date.

President Dunton also made report of the success of the local Relief fund drive for extraordinary emergency needs of the community's needy, sponsored by Mayor Flentie, in which the officers of the club served as a committee. Mr. Dunton acknowledged the particularly commendable support given by relief members of the club themselves, who directly contributed about one-half of the amount secured and aided in securing a good portion of the balance.

As an active member of Mr. Flentie's committee, with other officers and members of the club, Mr. Dunton made a general report of the conspicuous absence of support from many of the local business houses, and read a detailed list of those business houses who had failed to contribute entirely or at least reasonably, as well as those who did.

In view of prior newspaper notice calling attention to the relation and responsibility of business in Arlington Heights generally to recognize the relief situation under present conditions, the club trust in this deliberate evidence of disregard for the plight of the needy of the community, who never-the-less contribute so largely to the gross income of the business represented.

The general relief service in Arlington Heights is now functioning comparatively smoothly and at least tolerable recognition of complaints is being received from I. E. R. C. administrative headquarters in Chicago and elsewhere, as compared with most other similar localities with which the club is in contact.

This has been accomplished only thru the tireless efforts of the officers of the club since last June and the liberal cooperation of the present caseworkers here.

As a result, the club now expects to be able to increase its interest and devote more attention to local civic matters affecting the community at large.

Expert To Tell  
Relief Problems  
Next Tuesday

Citizens of Arlington Heights will have an opportunity Tuesday evening, April 30, to hear Dr. Martin H. Bickham, director of program planning for the Illinois Emergency Relief Commission in a discussion of the current relief situation, it was announced today by the Arlington Heights Benefit club.

The meeting, which is a township planning meeting sponsored by the Arlington Heights Benefit club, will convene at 8 p. m., in the Village Hall at Arlington Heights. A large attendance of business leaders and public officials is expected by those in charge as Dr. Bickham is not only well qualified to discuss the Illinois relief program because of his present direct connection with the state relief administration, but is a leading national authority on work relief.

In his address, Dr. Bickham is expected to bring an important message to those who are interested in the relief program as it is now being developed throughout the state and to analyze many of the present day relief problems in their relationship to conditions now existent in Arlington Heights. Dr. Bickham's subject will be "From the Relief Level to Social Security in Illinois."

Because of his work in planning the expanded work relief program in Illinois since termination of the CWA last spring, Dr. Bickham is particularly familiar with the development of this program, its problems, aims and purposes. Since becoming director of program planning for the commission, he has travelled extensively throughout the state studying the many

factors affecting the state's relief problems. In making his studies of the social and economic backgrounds of the various sections of the state, he has conferred with public officials, business and labor leaders and with persons on relief rolls, and has consulted original sources of material on agricultural and industrial conditions. He will use many of these first-hand studies as a foundation for his address in Arlington Heights.

### Ruth Noack's Recipe For Making 'Apple Roll' Wins Magazine Award

Miss Ruth Noack, 115 St. James street, Arlington Heights, has just been awarded a certificate of recipe endorsement by Better Homes and Gardens magazine for her recipe, "Apple Roll." The certificate is given only to recipes which pass kitchen tests for dependability, excellence of taste and family usefulness.

Miss Noack's recipe for "Apple Roll" is:

2 cups of pastry flour  
4 tablespoons of baking powder  
1/2 teaspoonful of salt  
2 tablespoons of sugar  
4 tablespoons of butter  
1/2 cupful of milk  
4 baking apples  
Sift the flour, baking powder, salt and sugar together. Cut in the butter with a pastry blender, then add the milk and mix to a soft dough. Turn out on a floured surface and roll to about 1/4 inch of thickness. Add the apples spreading evenly, sprinkle with sugar and roll like a jelly roll. Cut in slices about 1-inch in thickness. Place in a greased pan and pour over a hot sirup made by mixing 1 pint of water and 1 1/2 cups of brown sugar. Bake in a hot oven (400 degrees) for about 1/2 hour or until the top is brown and the apples tender. Serves 8 to 10.

### Illinois Bell To Celebrate Fiftieth Anniversary

To celebrate the Fiftieth Anniversary of the American Telephone and Telegraph company, incorporated in 1885, a unique radio program will be presented from 6:00 to 7:00 p. m. Central Daylight Saving Time, Sunday, April 28. The full hour presentation will be heard throughout the country over the world's largest network, the nationwide chain of ninety-three stations of the Columbia network, including WBBM, of Chicago.

At the close of the program, Walter S. Gifford, president of the American Telephone and Telegraph Company, will be interviewed by Edwin C. Hill. ## Palatine Invitation Meet Will Be Held Tomorrow; 10 Schools Are Entered

### BASEBALL NINES OF CONFERENCE SWING INTO PLAY

Leyden Plays at Arlington Heights Today in Opening Contest

Games Today—Antioch at Warren, Leyden at Arlington.

Games Wednesday—Warren at Wauconda, Ela at Leyden.

Arlington opens her conference baseball season this afternoon when Leyden comes here. With a practically new team to defend her conference championship, the prospects aren't any too good for a victory.

With six veterans back from last year's aggregation Leyden looms as plenty dangerous. Over a period of years Leyden has some of the best baseball in the conference and under Coach Watson's tutelage will no doubt be dangerous again this season. Sewski, Gauron, Matusek, and Kossack are their stars.

Arlington will probably line up with Weisgerber behind the bat; Kehe on the mound, Milligan, Kirchhoff and Laseke covering the bases in order, and Hertel at short. Niebuhr, Rohlwing, Allen, Pingel, Masny or Heinz will patrol the outfield. Barnett may do some twirling. Koppin may break in to the infield, while Clark and Redeker are the reserve backstops.

The game will begin at approximately four o'clock on Arlington's new diamond on their athletic field.

## ARLINGTON NINE WINS FIRST GAME FROM WAUKEGAN

4-2 victory gives Cardinals Opener of Season; Weisgerber drives in victory.

Opening the baseball season, Arlington Heights high school's nine defeated Waukegan's reserves 4-3 Friday afternoon. With one man down in the seventh inning, Weisgerber drove in the tying and winning runs.

Arlington offered a flock of new faces. Kehe, a sophomore veteran of last year, was on the mound for six innings. The Cardinals took the lead in the second when he changed out a homer. Waukegan tied in the fourth when they bunched on an error, a stolen base, a passed ball, and a hit.

They went ahead 3-1 in the first of the seventh. With Barnett pitching, they wrangled two walks, coupled them with a passed ball, two wild pitches, and two hits, and scored two runs.

At the finish the visitors failed to handle Masny's and Laseke's drives. After Hertel went out, Weisgerber banged out a circuit smash to settle the argument.

fourth. Distance, 121 feet. Javelin throw—Won by Hahnfeldt (P); Weisgerber (A), second; Engelking (P), third; Schinkosky (P), fourth. Distance, 162 feet.

Half mile relay—Won by Arlington; Deerfield, second; time, 137.6.

Freshman relay—Won by Deerfield; Palatine, second; Arlington, and Barrington tied for third. Time, :49.5.

Sophomore relay—Won by Arlington; Deerfield, second; Barrington, third. Time, :49.9.

Athletes from 10 west and north-west high schools will meet tomorrow when the Third Annual Palatine Invitation track and field meet opens at 1 o'clock. The meet will be held on the field which is located just behind the high school at Colfax street (old Northwest highway).

Last year the meet was won by Libertyville with Crystal Lake second. Both these schools will be back. The other competitors will be Palatine, Arlington Heights, Genoa, Barrington, Bensenville, Naperville, Woodstock, and Grant high school of Fox Lake.

Medals will be given to the first five place winners in each of the 12 events and to members of the winning relay team. A trophy will be presented to the school high in points. No admission will be charged of spectators, but a collection will be taken.

Arlington, strong in the track events, will count strongly on Steve Szasz, dash and pole vault star, Norbert Rohlwing, quarter and half-mile runner, and Walter Schroeder, dash man and broad jumper. Palatine's ace will be Eddie Hahnfeldt, star with the javelin, discus and shot, who last year won a third and a fourth in the state meet.

Ray of Libertyville may set new marks in the jumps, both high and broad, while Bensenville is counting on Davis in the high jump and pole vault, and Barrington has as its star Osborn, who will compete in the half and quarter-mile events. Merwin of Woodstock, who won the pole vault event last year, will be back to protect his laurels.

Crystal Lake is strong in the hurdles and dashes. Naperville, which placed well in the Oak Park relays early this season, will be competing with a well-balanced team which may take home the team trophy.

AT CHICAGO, MAY 4

May 4 Arlington Heights' high school track team will take part in a track and field meet at the University of Chicago. University high and Hyde Park will be the strong teams of the meet.

Huge elephants and lions grim And tip fierce and wild, while d. near the horizon rim, White fleecy lambskin mild.

There ugly queer amphibians Of prehistoric time With long snake heads and tails like fans, And names I can't make rhyme.

Monkeys and dogs of queerest breed, And horses, part like men, Stranger than things of which we read, From an ostrich to a wren.

The passing of this cloudland show Is prettily shown, Yet lovelier far in sunset glow The flower gardens bloom.

The best of all this imagery When angel forms appear, Waving their loving hands to me, And heaven seems so near.

These are my favorite moving pictures. Enjoyed in all their mazing variations, while setting in the open porches or by a window. If only little children could have their attention directed to these pictures in the sky above instead of seeing and having their little hearts and minds stirred into unhealthful excitement over things on the streets on the stage or in listening to tragic bed time stories, how much better nature's pictures for them.

The price of long life as given by that fine old lady over one hundred, when asked how she reached that unusual age, replied "by minding my own business." Let us inquire how to draw the line. What is strictly my own business. Is a neighbor's child falls in a pool, is it my business to help him out? The limit is too hard for me.

I had rather friends, than money, If I had to choose between For money alone is a cold, cold thing, Though I hate not its golden sheen, I had rather have friends than money. Now, isn't it so with you?

Yet, it would be rather pleasant—To have friends and money too.

So many friends whose loyalty we bank on, the poets and philosophers of olden time, and more than these, of our own time. What a real joy it was to hear that Kipling has resumed his production of poetry. The grandest real poetry published in England since Tennyson's time. In announcing this latest work from the Author of Recessional, the writer said "At his age (65) I think this late poem was remarkable." Why you poor infant! We shall expect Kipling's best work within his next twenty-five.

Wonder why Kipling was never made "Poet Laureate," could it be because he imbibed too much Americanism in his long stay here and in collaboration with his American brother-in-law, Balchier? Certainly England has placed into that position none equal to him, within our modern times. Happy are we to hail his return; may he yet excel his own greatest work.

Speaking of "Poets Laureate" we are reminded of article in Saturday's Tribune concerning an American poet, Watson, of poet Laureate fame, quote "a five thousand dollar bequest, to Sir William Watson, the poet, and \$2,500 to each of his two daughters, under the Will of a wealthy American manufacturer." This vividly reminds us of the time when Sir William Watson, poet laureate, did a Herculean part in trying to heckle America into the war.

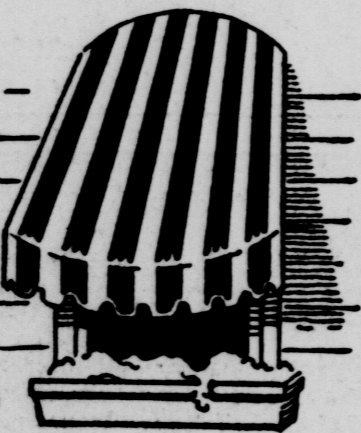

In view of this we make bold to publish Sir William Watson's poem To America—1915, and an American's reply. The evening of Army Day, we heard the stirring speeches made by the great men of our nation, many of them who served all through that awful war; heard their pleas for those now suffering worse than death, some in poverty, thousands, yea millions. Many in hospitals and yet—answer that yourself.

We do not publish with any feeling of enmity to England, since I am half English myself, yet do not want to see our free country made a cat's paw for any European nation. We read just now of the English farmer's rebellion against unjust tax. Some of our best friends are English people, now loyal to America, and these intelligent discerning friends see the injustice of trying to urge our nation into a foreign war: Here is Sir Wm. Watson:—

"Great, O' majestic nation, great is calm, Great, when old bound dissolve to lover apart, There beyond Europe's throes, and with a heart At peace from Northern pine to Southern palm, Great in our harvest time to send the psalm Rolling to heaven, nor be as they who start At mutter of far cannon and when the mart Rocks to and fro delirious, Great is calm, But when a despot, swollen with desire Aboundless sway forbears not to unceasing Wars, wolves on shieldless youth and guardless age, Greater then O' nation is ire; Behind the dreary days of Lent That somehow for our good are meant Spring's hosts are surely creeping, And through the snow, the cold and rain Through clouds that lift and spread again, We see the blossoms peeping, Just so behind the clouds that spread, In threats of downfall over head The light of truth is sweeping, When hosts of right shall rise again, To drive out schemes and ventures vain, Bringing gladness for our keeping.

The crusaders keep ringing out "Wake up America." That's all right. Easter comes—The resur-

rection from the sleep of death. May America wake up from the lethargy, the sleep of death, to our noblest heritage of justice and truth and liberty, guiding all. The sleep of indifference more destructive than death. "Wake up America!"

Did you see the wonderful display in the western sky last night? The beautiful star Venus, making a neighborly advance to the moon, a gleaming silver crescent in the blue field of clear sky; the bright star of hope and the gleaming silver of shall I say, standardized currency! Leaving that to, to,—the Supreme court.

"The Heavens declare the glory of the Lord and the firmament sheweth forth His handiwork! Day unto day uttereth speech, and night unto night, declareth knowledge! Do you suppose our Congress ever heard of that? Out of all their utterances of speech, when is right declaring knowledge to come in? Do we grow weary in waiting to hear their declaration? Ah, well, patient waiting is no loss, so wait.

Clean up time is now on, and there is another important feature to be noted for the safety of our home town. It is the danger of fires. As the warmer days come and sun and wind dry the heavy growth of grass and leaves a lighted match, or a discarded cigar or cigarette, dropped carelessly, may start a destructive fire. Please smokers, be careful! It would insure greater safety if each smoker carried a small container of tin or choicer metal into which he could put the burnt match, or fragment of cigar or cigarette and carry it in his pocket.

Greetings to friends and neighbors, Where lies your course today, Must you weep with those who weep.

Or with the glad be gay? There is so much of sadness, We are sidden with the sorrowing, That we should ever mourn; Then through the waves of sunshine You hear the Master's voice Bidding us with the joyful We should ever more rejoice.

Trial turmoil and tragedy have been written on the pages of last week's records. A dark shadow has spread its wings over homes of those not far away. Death has removed several loved ones. We would weep with those who weep. As Christians we should not be set down as a light unthinking people. If we spend our days in weeping we can carry no comfort to the sorrowing. We read "Weeping tareth but for a night, but joy cometh in the morning, therein is comfort."

## VOICE OF PEOPLE

Palatine, April 13, 1935.  
Editor, Palatine Enterprise,  
Palatine, Ill.  
Dear Sir:

Because of the prominence given to the address by Mr. G. Rex Volz of Arlington Heights in your April 12th issue, it seems fair that a reply should be submitted.

Before touching on the speech let me say that I am not a member of the Democratic party, I am not on relief, and that I admit that a great deal of constructive criticism can be fairly leveled at the present national administration.

But Mr. Volz's criticism is not constructive and after reading his address one must ask in vain: Well and good, but what are your plans, what do you propose?

Is the Roosevelt administration to blame for the condition in which the country found itself in March, 1933? Did we lose our bank deposits by the billion during this or a Republican administration? Were millions upon millions of our citizens brought to the brink of starvation under Roosevelt or Hoover rule? Were any effective steps taken by your party administration between 1929 and 1933, to arrest the country's race toward destruction?

Any intelligent eighth-grade pupil knows the answers to these questions.

Of course, there are more people on relief now than ever before. In this, our sixth year of depression, which, by the way, began during the first year of Hoover's administration—the savings of our people—what was left of them after the bank crashes under Hoover—have become exhausted? And let us not forget that people in need are no longer left to starve. But the Roosevelt administration is taking steps toward eliminating the relief rolls by substituting employment. What do you propose to do instead, Mr. Volz?

You are fond of quoting the Declaration of Independence as when you plead to "retain the life, liberty and pursuit of happiness with which God Almighty endowed them."

Do you not also recall this passage from the same immortal document: "Whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it and to institute a new government, laying its foundations on such principles and organizing its powers in such form as to them shall seem most likely to effect their safety and happiness."

After reading the wind-up of your spread-eagle oratory, I can-

No business man too big to escape  
By GEORGE

### WALTER SIEBURG

Walter Sieburg, better known among the older people of the town as "Buck Sieburg" is one of very few business men, who really is a 100 per cent Arlington Heights citizen. He was born here some 40-odd years ago, lived here all his life and worked here all his life.

He was started on his career by Doctor Hanneman, the "Pop Jenks" of Arlington, back about 1912. Walter helped around the store and in no time at all he bought him out.

Back in those days a drug store really was just that. But Walter was many jumps ahead of another druggist by the name of Walgreen.

He moved into larger quarters and sold everything a modern drug store of today should sell. His business grew by leaps and bounds and he bought the Bolte building, where he is now located.

He is about the quietest business man in town. Pleasant courtesies and unobtrusive. His one vice that I know of is a hot six handed game of pinocle. A bid of 1000, made with 10 to spare, is a bigger kick for him than a 6 no-trump bid is for Ely Culbertson and take it from his boy friends he can play six handed pinocle, a game where every man has two fistsful of cards in his hand to play from and to remember.

Walter married Laura Meyer, a sister of our genial village treasurer and he liked the entire family so much that he built a home next door to them years ago and he still lives there. All is well.

Walter has about the toughest competitor (Walgreen) that any business can have, yet you customers can get everything the competitor sells, just as cheap, of better quality, probably and leave your money here at home. Go to his store, meet him, and you will buy from him for he is a dandy fellow—a good honest business man. There isn't a better time than the present as he is having his one cent sale this week. Drop in and see for yourself.

Holy Name Society  
Honors CYO Champs100 Men Attend Banquet;  
Trophies and Medals  
Are Awarded

The basketball champions representing St. James church at Arlington Heights in the C. Y. O. league were honored Tuesday night with a banquet by the Holy Name society in St. James hall. James D. Kelly, basketball coach at De Paul university was the speaker of the evening.

This team of heavies has won the division championship for the third year. They were awarded medals by Rev. Wagnier.

Included in the medals and honors for the evening was Coach Hayes, who has had charge of the team the last two years. During the evening Mr. Hayes received a sport sweater presented by Wally Annen in behalf of the team.

Rudolph Rizzo, president of the Holy Name society, passed on the honors of toastmaster to George Glow and between the two of them there was not a dull moment during the three hours spent around the banquet table and in the program that followed.

The championship trophy was presented by Ben Pitzen to Rev. Wagnier, who accepting it in behalf of the parish, congratulated the players, whom he said were a credit to the parish and who by good playing and good sportsmanship had won the championship for the third successive year.

Coach Hayes complimented the boys on the spirit they have shown that had been theirs was won by their loyalty and spirit, and giving everything they had. "Nothing in sports has given me as much pleasure," stated Mr. Hayes, "as my experience with the St. James boys." The toastmaster replied, "the boys have benefited by having been under the influence of Mr. Hayes."

## SEASON RECORD

The St. James heavyweight basketball team brought the third C. Y. O. division championship to Arlington Heights in as many years when they finished their season undefeated. In the elimination tournament, which followed the division play, they were defeated by one of the strongest teams present.

Absence of Frank Brodman contributed much to the defeat.

In compiling their record of ten consecutive victories the heavies gave away weight and height to a majority of their opponents. Fans were always rewarded by the sight of a team which could handle the ball with precision, pass accurately, shoot well, break fast almost perfectly. No team penetrated them consistently nor could any guards hold them in check throughout a game.

In an early season game the heavies served notice of their class when they came from behind to beat St. Cornelius heavies. Trailing by three points in the first half, they rallied to lead at the half way mark and went on to win by sixteen points. Later they trounced the same team again. That team tied for second place with the St. Hedwig's, which the St. James boys beat twice by doubled scores. Courage and team spirit played an important part in these victories.

The lightweight team finished fourth in their division. They were handicapped by the loss of J. Long in mid-season, when he failed to make weight at the second weighing-in. Younger players were added.

FINAL SESSION  
OF OLD BOARDNew Ordinance Gives  
Mayor and Aldermen  
Monthly Salary

Hereafter the mayor and aldermen of the village of Arlington Heights are to receive monthly pay checks. The head of the village government will receive \$40 a month and the aldermen \$20 each.

A position on the village board becomes something aside from just a title. In addition to the labor and time taken during regular business hours and the many evenings away from home, there will now be a salary. Heretofore the governing body of the municipality, the men whose job it is to direct the spending of some \$50,000 a year, have been receiving only a nominal amount for their services. The amount is still nominal, but it will be regular.

The salary of the aldermen is monthly regardless of the number of meetings they may be called upon to attend. Also if a board member misses a meeting he gets a salary cut.

The ordinance placing the board members upon a monthly basis in place of the per diem plan, was passed by the board last Friday night.

BABY HEALTH WEEK HERE  
STARTS NEXT MONDAY

The Arlington Heights Public Health Committee has set aside the first week in May as Baby Week, beginning Monday, April 29, and running through to Saturday, May 4. This is the week that the Infant Welfare of Arlington Heights will put on its annual campaign for funds to carry on the work of our Baby Clinic. A house to house canvass will be made during the week and on Friday morning, May 3rd, a group will tag at the C. & N. W. Railroad station.

The Baby Clinic has been operating in Arlington Heights for fifteen years and experience has proved that the tag day is the best way of raising money to carry on this good work. Every one in the community will be asked to contribute whatever amount he can afford. A special request is made of all to be courteous to the ladies who are going to do the house to house canvass as they will be giving their time and efforts just to help such a worthy cause.

The Arlington Heights Baby Clinic has done a tremendous amount of real, practical good in our community. The Clinic is held once every month throughout the year and the records show that hundreds of mothers with their babies have

attended since it was started over fifteen years ago and many babies have been helped by the Clinic. It would be well to add right here that very accurate and complete records are kept of all babies that attend. It would also be well to add that the purpose of the Clinic is not to cure sick babies—that is for the family physician—but to keep well babies well.

The Clinic is open to every Mother and baby of Arlington Heights and the service is free to all. All Mothers and babies are welcome at any time. Like everything else, it costs money to operate the Clinic—not so very much as the expenses are cut down as low as possible—but the Doctor and Nurse must be paid. Money must be raised and the house to house canvass next week is for this purpose. It is hoped that enough money will be collected to carry the Clinic thru for a whole year. So open your door with a smile to the worker who will call on you and give as much as you can afford and see if you don't experience a feeling of joy and satisfaction by contributing your share to one of the most worthy causes of the community—the health of the babies of Arlington Heights.

COUNTY ASKS  
POLLUTION OF  
WATER STOPForest Preserve Streams  
Damaged by Wastes of  
21 Communities

Twenty-one communities are cited for polluting the streams which flow through Cook county's forest preserves in a resolution introduced at the Wednesday meeting of the Cook county forest preserve commissioners.

The resolution asks the State Sanitary Water board to "proceed with all possible dispatch to enforce the laws with which they are charged, with reference to stream pollution, and principally to secure the discontinuance of pollution from such villages as Libertyville, Wheeling, Gurnee, Elmhurst, Villa Park, Bensenville, Itasca, Bloomingdale, Highland Park, Highwood, Deerfield, Crete, Steger, Flossmoor, Hazel Crest, Matteson, Tinley Park, Lansing, South Chicago Heights, Glenwood and Thornton.

Five of these places, Elmhurst, Villa Park, Bensenville, Itasca and Bloomingdale, are in DuPage county, but the streams which they are polluting later flow through Cook county's forest preserves. Palatine, against whom the water board issued an abatement order recently, is conspicuous by its absence from the list of 21 offenders.

The resolution, introduced by Clayton F. Smith, president of the forest preserve board, recites that 75 miles of streams lie within the forest preserve district, and 90 per cent of this is "grossly polluted" by sewage which "comprises a real menace to the health of the millions of people using the forest preserves annually, and limits very seriously the possible recreational value of the district's holdings."

All of Illinois outside the jurisdiction of the Chicago Sanitary district is under the control of the sanitary water board as far as the matter of stream pollution is concerned.

Gateley Wheelers Visitors,  
Local Club Looks for  
Successful Season

After losing an eleven inning exciting pre-season game by the close score of 2 to 1, at Glen Ellyn last Sunday, the Arlington Red Wings are all set to open up their '35 season of baseball Sunday afternoon, when they meet the Gateley Wheelers, a strong Chicago semi-pro club at the Red Wing ball park.

With this team rating a strong club, a good fast game should be in store for the fans attending the opener. For with a few new faces in the line up and some changes in position for some players, the Red Wings will be strengthened both on the field and at the plate.

Mr. Chas. Page has again accepted the reins of manager this season and it is hoped that under his management the club will again enjoy another successful season.

Striving to give good, clean baseball as a Sunday recreation in Arlington Heights, the club heartily invites all fans to come out and enjoy themselves at the games on Sunday afternoons this coming season, which will find the club going into their sixth season as an organized baseball club in Arlington Heights.

A little more color in the way of new Sox and new style caps has been added to the appearance of the players. This was made possible by the same group of business people in and around Arlington Heights, whose names now appear on the back of the players uniforms.

The game Sunday will start promptly at 3:00 o'clock daylight saving time at the Red Wing ball park on South Highland avenue.

Herman is the principle motivating power.  
The Arlington Heights "Cheerio" group of young women, who meet every fortnight, are to go on Thursday this week to the Blume-Garland home at Wauconda. We are sure there are "cattish" members in this cheery group, and will be sure to join our Sophia in her jolly peals of laughter. Their meeting will be in the Garland home, whose late mistress "Helen" Garland, was once so happily one of their group.

The Welcome club of St. Peter's church will hold their annual meeting and election of officers. A fine program is to be given—don't forget the date, Thursday, April 25. The Presbyterian Aid Society hold their regular meeting Thursday, May 2. A hostess luncheon will be held on invitation in the dining hall, Tuesday, April 30, at one o'clock.

More than 40 friends and relatives from in and out of town surprised Mr. and Mrs. Clarence Brinkman on their 9th anniversary Easter Sunday. A very good time was had by all. Mr. and Mrs. Brinkman were greatly surprised to find among the lovely gifts a set of dishes and silverware.

Mrs. G. H. Peter had a family group in her home Easter day as dinner guests. A pleasant get-together to talk over past Easter and other memories. Mrs. Charles Sigwalt of Chicago, Mrs. E. C. Smith, Mr. and Mrs. Fred Lorenzen, Mrs. R. Perrin and Bernice, Mrs. R. Julius Bruhke and Mr. and Mrs. Harold Peter and Carol, were the guests.

Mr. and Mrs. Ed. C. Wilke of North Dunton avenue, had as Easter guests, their children to share the hospital joys of old home Mrs. Wille, Mr. and Mrs. Lawrence Palm, Mr. and Mrs. Raymond Wilke and their children. Pictures of the family group were taken to commemorate the happy occasion.

Mrs. Crawford from Chicago was an Easter Sunday guest of Mr. and Mrs. Rexford Volz.

Mr. and Mrs. Charles Peters of North Dunton avenue, entertained their daughters and families as Easter Sunday guests. They were Mr. and Mrs. Roy Miller and children of Park Ridge; Mr. and Mrs. R. Richardson and baby from Des Plaines. The group on such an occasion would be overjoyed to see the one son, Raymond, who is in the Navy six years without a sight of his home or home folks.

R. E. Hayes, high school instructor has moved from 411 N. Pine to the Arlington Park subdivision. Eight little friends of Lorraine Jackson helped her celebrate her 9th birthday on Monday, April 22. A very pleasant time was had by all.

The public schools reopened Tuesday, April 23. The children in Mrs. Lydia Lorenzen's grade were disappointed to miss her from her place, as she was not well enough to be with them. We all hope after a good rest she may resume her place.

Don't fail to attend the chauntauqua on Friday evening at 8:15 p. m. This will be the most unique entertainment of the season, having four half-hour programs for the price of one. The home talent is now well poised for the event and many a laugh will ring throughout the assembly. One of the unusual features will be by Miss Stella Langworthy, a contralto whistler. She is a member of the Fay Epper Ensemble, the only one of its kind in existence. Miss Langworthy pleases her audiences with her graceful manner and production, and comes highly recommended by many testimonials.

Joy Ann Mezel, 2 S. Vail Ave., invited ten little friends Thursday afternoon, April 18, to help celebrate her birthday (Joy Ann's birthday being April 19). The little ladies and a pleasant time playing games and enjoyed the refreshments served by Joy Ann's mother.

**Push Your Clock Ahead An Hour Saturday Night**

People who don't set their clocks ahead an hour before retiring Saturday night will find themselves an hour behind their neighbors when they arise Sunday morning, for daylight saving time begins Sunday when 1 a. m. becomes 2 a. m. and everyone again becomes tangled in a mathematical snarl every time a railway timetocard is consulted.  
Just to untangle it, the 7:01 leaves at 8:01 by your kitchen clock, and the train which the railroad considers the 3:54 is the 4:54 to the rest of us. The change of time will go into effect throughout Chicago and the suburbs from the lake shore to Barrington.

The social luncheon given by the April group of the Dorcas Aid was a pleasant success. Their 47 tables for games. Guests from Des Plaines and Mount Prospect. "And a good time continued to be had."—as R. H. would put it.  
Malzahn & Goedke do sewerage, plumbing, heating and sheet metal work; phone 478-479.—Adv.

Mr. and Mrs. Robert Palmer whose home is on West Mueller street, attended Easter services in the Chicago 4th Presbyterian church where they still keep their connection.

Tuesday, last week, Mrs. Ignatius Heckmiller of 106 South Vail avenue had a very exciting surprise when a company of her friends came in to give her an April shower. It was a real surprise and a pleasant party.

Mrs. John Berchtold had a cheery Easter brought to her home Easter Sunday. Her nieces and their families, Mr. and Mrs. Fred Langhorst, Mr. and Mrs. Charles Garof of Palatine, and Mr. and Mrs. Bennebest from Roselle, Mrs. Thomas was among the guests. They brought Easter cheer with them and no shadow of the monster depression came over to spoil the pleasure of the happy hostess and her guests.

## Men to Present Own Style Show May 15 At St. James Hall

Style shows with the fair sex as the models has not been such a drain upon the pocketbooks of the men in Arlington Heights, whose wives and daughters act as models and afterwards become "in love" with the men who wear, that the men folks are going to turn the tables and see if the family budget will stretch their way for once.

A masculine style show has been announced by the Holy Name Society of St. James church for May 15. There will be breakfast clothes, luteen clothes, dinner clothes and lounge clothes, including the "evening" gown and slippers. A search will be made for the best male figure in Arlington Heights to model the latest bathing suit. There is a rumor that a wedding party will be on the program. The Herald will give new details in coming issues as the men think them up.

This show will be managed and directed by men only. A dance with Friedrichs' orchestra will follow.

## CHRISTIAN SCIENCE CHURCHES

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 21.

The Golden Text was, "Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation" (Hebrews 9:28).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "But now in Christ Jesus ye who sometimes were afar off are made nigh by the blood of Christ. For he is our peace, who hath made both one, and hath broken down the middle wall of partition between us; For through him we both have access by one Spirit unto the Father. Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God" (Ephesians 2:13, 14, 18, 19).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "That God's wrath should be vented upon His beloved Son, is divinely unnatural. Such a theory is man-made. The atonement is a hard problem in theology, but its scientific explanation is, that suffering is an error of sinful sense which Truth destroys, and that eventually both sin and suffering will fall at the feet of ever lasting Love" (p. 23).

## CHURCHES

What a consolation it is to those who are constantly told that our churches and Christian faith are dying out—yes, what a consolation to witness the churches in our town so enthusiastically and earnestly keeping the Holy Week with continued and well attended services.

The Lutheran and St. John's churches held their services with a sunrise prayer meeting Easter morning, well attended by the young people, evidence that the coming generation are staunchly standing by the "Faith of the Fathers."

The Methodists had their regular Easter service led by the pastor and a beautiful Easter anthem. The organ, the choir and their unexcelled leader, Mr. Theodore Militzer, was beautifully given.

In the Presbyterian church there were services every night, during Holy week. Good Friday night there has not been in over forty years such a crowd of people to participate in the service.

Easter Sunday they came again, bringing children and grandchildren to enter into baptism and Christian faith. Eight infants and small children were christened, and were received into membership.

Some by letter, some by confession of faith, others by reaffirmation, in all 21 adults received into membership. It was an encouraging service to pastor and people, and to all who desire to see the witness of Christian Faith is not dead.

Services at St. James R. C. church, were also well and enthusiastically carried out through the holy days preceding Easter Sunday morning. All the services were well attended, especially the 10:15. The church was made beautiful by the decorations so impressively arranged with flowers forming a background to the boy choir, fifteen in number, who in their trust and courage, touched the hearts of all who witnessed their part in service—were they reminded of the saying of our Lord, "except ye become as little children ye cannot enter the Kingdom of Heaven."

## Women's Club

The Woman's club met for the closing session of the year Wednesday, April 17, in the home of the president, Mrs. B. H. Jarvis. The presidents report was most perfectly comprehensive and pleasing in the review of the year's work, and its satisfactory results. The treasurer's report was presented by Mrs. B. A. Noyes in a rather unique manner. A circular graph, plainly showing receipts and expenditures. There were routine reports from committees, all satisfactory in their reception. The membership committee reported 28 new members. The music was vocal selection by Miss Evelyn Jarvis and the director, Mrs. Mitzlaff, accompanied by Mrs. C. E. McWharther, piano, charming and delightful received with appreciation applause.

The community nurse, Miss Jackson, gave a characteristic hour by hour account of "Two days activities in the life of a Welfare Nurse" as only our Miss Jackson could give it. It was informing and well told.

Mrs. J. E. Best gave an account of the new public library, which had its nucleus in the club circle years ago.

Mrs. Jarvis spoke of the flower show of the district held April 28 at the Jefferson Park field house, reminding the members of the local club that they were expected to take part in it. This she urged the home club to do. The secretary, Mrs. Jahn, read the report of the Junior League, as prepared by the president, Miss Annen; also read an invitation to the Senior club, to attend a social evening, May 13, 8:15 evening, in the M. E. church.

Following the program and business formalities, refreshments were served by the committee in charge and a lively hour of talking it over enjoyed.

The officers for the coming year are as follows:

President—Mrs. B. H. Jarvis.  
First Vice President—Mrs. J. S. Monroe.

Second Vice President—Mrs. G. A. Glow.

## F. O. E. FLASHES

Brother McGinley, of the organization department of the Fraternal Order of Eagles was at the April 23rd meeting of the Park Ridge Aerie, to launch a new membership drive.

This column has long been extolling the services of the Eagles. Now is your chance to find out for yourselves what it is all about. There will be a series of meetings free to all-comers who are interested or curious to know more about the order. (Refreshments also included.)

More of the details will appear in the Flashes at a later date. In the meantime, prepare yourself for a visit to the Park Ridge Aerie, Fraternal Order of Eagles Aerie for this district.

From all appearances the first annual Easter dance is going to be some ball. Groups of friends are planning a flock of parties to gather in the clubrooms in the Pickwick building, Park Ridge, Illinois.

Don't forget the date, Saturday, April 27th, for a big time and lots of fun.

## MERLE GUILD POST No. 208 AMERICAN LEGION

The Easter Egg hunt sponsored by the Squadron was a huge success and those who attended it, had a good time.

Well, now that Lent is over, we have lots of activities planned for the near future and naturally the first one is our spring dance and frolic to be held May 4 at Louis' Crystal ball room in Fox River Grove. Louis is a large, airy and very pretty ball room with an excellent dance floor and that with Sinclair's fourteen piece orchestra should spell a good time for those that come out and we hope that we will have a large turnout from the Heights as you know Barrington post is on this with us. Warren Parker is handling the ticket sales and he will be delighted to sell you more. Let's snap into it and be sure and sell more than Barrington.

Another thing on the pan now is our "Old Time Dances" these as you know are sponsored by our Drum and Bugle Corps and are held every Saturday up to May 11 at the Union hotel ballroom in Wheeling. Starting that night we will go back to Laurence Schufreim hall on Milwaukee avenue at Euclid in Glenview.

Spring is here—and that spells baseball—baseball for the squadron and softball for the post. It is the intention of the posts in our area to form a league of all posts in the area and certainly we want to be in it—and cop any prize offered.

The Drum and Bugle corps is stepping with our new instructor and Phil says we will have a right snappy corps on Memorial Day.

In a few days you will get your copy of the Ninther. In this paper the meeting nights of the Post, Auxiliary and Squadron are prominently printed—please circle your calendar and on Post meeting nights—make it a point to be there. At our last meeting George Heim, Americanization chairman for the Cook county council was out and gave a very interesting talk—this was followed by a very interesting floor discussion in which practically every one present took part.

It won't be long now till the 4th of July—however in the meantime we will have four post meetings—try and make at least three. Vic and the entertainment committee are on their toes and they make every meeting most interesting—show them that you appreciate their efforts by turning out—you won't be disappointed.

**IN MEMORIAM**

Dear Father in that home so fair  
How blessed your release

We pray that God will let you know  
We love you still, and miss you so,  
—Elsie Jerousek and children.

## Arlington Heights Benefit Club Continues Record Attendance

Regular meeting of the Arlington Heights Benefit Club was held on Thursday, March 30 with its usual large attendance of members.

The club now has its tenth month of activity, reported a total membership of 146 at present, including non-relief residents to whom membership in the civic interests of the club is also open, and an average meeting attendance of 60 for all meetings.

Report was made of a visit of the officers and a group of members to a neighboring club in Glenview, to hear Dr. Bickham of the I. E. R. C., as Director of Regional Planning, in a talk on the progress and plans for social security of the needy, now well under way in the State of Illinois. As a result of the interest of Dr. Bickham's talk, the club plans to sponsor a similar lecture by this engaging speaker, in Arlington Heights at an early date.

President Dunton also made report of the success of the local Relief fund drive for extraordinary emergency needs of the community's needy, sponsored by Mayor Plentie, in which the officers of the club served as a committee. Mr. Dunton acknowledged the particularly commendable support given by relief members of the club themselves, who directly contributed about one-half of the amount secured and aided in securing a good portion of the balance.

As an active member of Mr. Plentie's committee, with other officers and members of the club, Mr. Dunton made a general report of the conspicuous absence of support from many of the local business houses, and read a detailed list of those business houses who had failed to contribute entirely or at least reasonably, as well as those who did.

In view of prior newspaper notice calling attention to the relation and responsibility of business in Arlington Heights generally to recognize the relief situation under present conditions, the club thru its membership, is vitally concerned in this deliberate evidence of disregard for the plight of the needy to the gross income of the business represented.

The general relief service in Arlington Heights is now functioning comparatively smoothly and at least tolerable recognition of complaints is being received from I. E. R. C. administrative headquarters in Chicago and elsewhere, as compared with most other similar localities with which the club is in contact.

This has been accomplished only thru the tireless efforts of the officers of the club since last June and the liberal cooperation of the present caseworkers here.

As a result, the club now expects to be able to increase its interest, and devote more attention to local civic matters affecting the community at large.

## Expert To Tell Relief Problems Next Tuesday

Citizens of Arlington Heights will have an opportunity Tuesday evening, April 30, to hear Dr. Martin H. Bickham, director of program planning for the Illinois Emergency Relief Commission in a discussion of the current relief situation, it was announced today by the Arlington Heights Benefit Club.

The meeting, which is a township planning meeting sponsored by the Arlington Heights Benefit Club, will convene at 8 p. m. in the Village Hall at Arlington Heights. A large attendance of business leaders and public officials is expected by those in charge as Dr. Bickham is not only well qualified to discuss the Illinois relief program because of his present direct connection with the state relief administration, but is a leading national authority on work relief.

In his address, Dr. Bickham is expected to bring an important message to those who are interested in the relief program as it is now being developed throughout the state and to analyze many of the present day relief problems in their relationship to conditions now existent in Arlington Heights. Dr. Bickham's subject will be "From the Relief Level to Social Security in Illinois."

### BASEBALL NINES OF CONFERENCE SWING INTO PLAY

Leyden Plays at Arlington Heights Today in Opening Contest

Games Today—Antioch at Warren, Leyden at Arlington.

Games Wednesday—Warren at Wauconda, Ela at Leyden.

Arlington opens her conference baseball season this afternoon when Leyden comes here. With a practically new team to defend her conference championship, the prospects aren't any too good for a victory.

With six veterans back from last year's aggregation Leyden looms as plenty dangerous. Over a period of years Leyden has some of the best baseball in the conference and under Coach Watson's tutelage will no doubt be dangerous again this season. Sewaski, Gauron, Matusek, and Kossack are their stars.

Arlington will probably line up with Weisgerber behind the bat; Kehe on the mound. Milligan, Kirchhoff and Laseke covering the bases in order, and Hertel at short.

Niebuhr, Rohlwing, Alten, Pingel, Masny or Heitz will patrol the outfield. Barnett may do some twirling. Koppin may break in to the infield, while Clark and Redeker are the reserve backstops.

The game will begin at approximately four o'clock on Arlington's new diamond on their athletic field.

## ARLINGTON NINE WINS FIRST GAME FROM WAUKEGAN

4-2 victory gives Cardinals Opener of Season; Weisgerber drives in victory.

Opening the baseball season, Arlington Heights high school's nine defeated Waukegan's reserves 4-3 Friday afternoon. With one man down in the seventh inning, Weisgerber drove in the tying and winning runs.

Arlington offered a flock of new faces. Kehe, a sophomore veteran of last year, was on the mound for six innings. The Cardinals took the lead in the second when he wrenched out a homer. Waukegan tied in the fourth when they bunched on an error, a stolen base, a passed ball, and a hit.

They went ahead 3-1 in the first of the seventh. With Barnett pitching, they wrangled two walks, coupled them with a passed ball, two wild pitches, and two hits, and scored two runs.

At the finish the visitors failed to handle Masny's and Laseke's drives. After Hertel went out, Weisgerber banged out a circuit smash to settle the argument.

fourth. Distance, 121 feet.

Javelin throw—Won by Hahnfeldt (P); Weisgerber (A), second; Engelking (P), third; Schinkosky (P), fourth. Distance, 162 feet.

Half mile relay—Won by Arlington; Deerfield, second; time, 137:6.

Freshman relay—Won by Deerfield; Palatine, second; Arlington, and Barrington tied for third. Time, :49.5.

Sophomore relay—Won by Arlington; Deerfield, second; Barrington, third. Time, :49.9.

Athletes from 10 west and north-west high schools will meet tomorrow when the Third Annual Palatine Invitation track and field meet opens at 1 o'clock. The meet will be held on the field which is located just behind the high school at Colfax street (old Northwest highway).

Last year the meet was won by Libertyville with Crystal Lake second. Both these schools will be back. The other competitors will be Palatine, Arlington Heights, Geneva, Barrington, Bensenville, Naperville, Woodstock, and Grant high school of Fox Lake.

Medals will be given to the first five place winners in each of the 12 events and to members of the winning relay team. A trophy will be presented to the school high in points. No admission will be charged of spectators, but a collection will be taken.

Arlington, strong in the track events, will count strongly on Steve Szasz, dash and pole vault star, Norbert Rohlwing, quarter and half-mile runner, and Walter Schroeder, dash man and broad jumper. Palatine's ace will be Eddie Hahnfeldt, star with the javelin, discus and shot, who last year won a third and a fourth in the state meet.

Ray of Libertyville may set new marks in the jumps, both high and broad, while Bensenville is counting on Davis in the high jump and pole vault, and Barrington has as its star Osborn, who will compete in the half and quarter-mile events. Merwin of Woodstock, who won the pole vault event last year, will be back to protect his laurels.

Crystal Lake is strong in the hurdles and dashes. Naperville, which placed well in the Oak Park relays early this season, will be competing with a well-balanced team which may take home the team trophy.

**AT CHICAGO, MAY 4**  
May 4 Arlington Heights' high school track team will take part in a track and field meet at the University of Chicago. University high and Hyde Park will be the strong teams of the meet.

**GAME NEXT WEEK**  
Arlington Heights grade school boys are planning to have their first baseball game next week Friday if a meeting with Des Plaines can be arranged for that date. The game would be played at Arlington Heights.

Among the new men, Milligan and Laseke looked well in their positions.

Huge elephants and lions grim And tire fierce and wild, while d near the horizon rim, White fleecy lambskin mild.

There ugly queer amphibians Of prehistoric time With long snake heads and tails like fans, And names I can't make rhyme.

Monkeys and dogs of queerest breed, And horses, part like men, Stranger than things of which we read, From an ostrich to a wren.

The passing of this cloudland show Is marvelously shown, Yet lovelier far in sunset glow The flower gardens bloom.

The best of all this imagery When angel forms appear, Waving their loving hands to me, And heaven seems so near.

These are my favorite moving pictures. Enjoyed in all their amazing variations, while setting in the open porches or by a window. If only little children could have their attention directed to these pictures in the sky above instead of seeing and having their little hearts and minds stirred into unhealthy excitement over things on the streets on the stage or in listening to tragic bed time stories, how much better nature's pictures for them.

The price of long life as given by that fine old lady over one hundred, when asked how she reached that unusual age, replied "by mind-ing my own business." Let us in-quire how to draw the line. What is strictly my own business. If a neighbor's child falls in a pool, is it my business to help him out? The limit is too hard for me.

I had rather friends, than money, If I had to choose between For money alone is a cold, cold thing, Though I hate not its golden sheen, I had rather have friends than money, Now, isn't it so with you?

Yet, it would be rather pleasant—To have friends and money too.

So many friends whose loyalty we bank on, the poets and philo-sophers of olden time, and more than these, of our own time. What a real joy it was to hear that Kip-ling has resumed his production of poetry. The grandest real poetry published in England since Tenny-son's time. In announcing this latest work from the Author of Reckless, the writer said "at his age (65) I think this late poem was remarkable." Why you poor in-fant! We shall expect Kipling's best work within his next twenty-five.

Wonder why Kipling was never made "Poet Laureate," could it be because he imbibed too much Am-ericanism in his long stay here and in collaboration with his American brother-in-law, Balastier? Certain-ly England has placed into that position none equal to him, within our modern times. Happy are we to hail his return; may he yet ex-cel his own greatest work.

Speaking of "Poets Laureate" we are reminded of an article in Saturday's Tribune concerning an-bounty to the poet Watson, of poet Laureate fame, quote "a five thou-sand dollar bequest, to Sir William Watson, the poet, and \$2,500 to each of his two daughters, under the Will of a wealthy American manufacturer." This vividly re-minds us of the time when Sir William Watson, poet laureate, did a Herculean part in trying to heckle America into the war.

In view of this we make bold to publish Sir William Watson's poem To America—1915, and an Ameri-can's reply. The evening of Army Day, we heard the stirring speech made by the great men of our nation, many of them who served all through that awful war; heard their pleas for those now suffering worse than death, some in poverty, thousands, yea millions. Many in hospitals and yet—answer that yourself.

We do not publish with any feel-ing of enmity to England, since I am half English myself, yet do not want to see our free country made a cat's paw for any European na-tion. We read just now of the Eng-lish farmer's rebellion against un-just tax. Some of our best friends are English people, now loyal to America, and these intelligent dis-cerning friends see the injustice of trying to urge our nation into a foreign war: Here is Sir Wm. Watson:—

"Great, O' majestic nation, great is calm, Great, when old bound dissolve to tower apart, There beyond Europe's throes, and with a heart At peace from Northern pine to Southern palm. Great in our harvest time to send the psalm Rolling to heaven, nor be as they who start At mutter of far cannon and when the mart Rocks to and fro delirious, Great is calm. But when a despot, swollen with desire Aboundless sway forbears not to uncease Wars, wolves on shieldless youth and guardless age, Greater then O' nation is ire: Behind the dreary days of Lent That somehow for our good are meant Spring's hosts are surely creeping, And through the snow, the cold and rain Through clouds that lift and spread again, We see the blossoms peeping, Just so behind the clouds that spread, In threats of downfall over head The light of truth is sweeping. When hosts of right shall rise again, To drive out schemes and ventures vain, Bringing gladness for our keeping.

The crusaders keep ringing out "Wake up America." That's all right. Easter comes—The resur-

rection from the sleep of death. May America wake up from the lethargy, the sleep of death, to our noblest heritage of justice and truth and liberty, guiding all. The sleep of indifference more destruc-tive than death. "Wake up Amer-ica!"

Did you see the wonderful display in the western sky last night? The beautiful star Venus, making a neighborly advance to the moon, a gleaming silver crescent in the blue field of clear sky; the bright star of hope and the gleaming silver of shall I say, standardized currency! Leaving that to, to,—the Supreme court.

"The Heavens declare the glory of the Lord and the firmament sheweth forth His handiwork! Day unto day uttereth speech, and night unto night, declareth knowledge! Do you suppose our Congress ever heard of that? Out of all their utterances of speech, when is right declaring knowledge to come in? Do we grow weary in waiting to hear their declaration? Ah, well, patient waiting is no loss, so wait.

Clean up time is now on, and there is another important feature to be noted for the safety of our home town. It is the danger of fires. As the warmer days come and sun and wind dry the heavy growth of grass and leaves a lighted match, or a discarded cigar or cigarette, dropped carelessly, may start a destructive fire. Please smokers, be careful! It would in-sure greater safety if each smoker carried a small container of tin or choicer metal into which he could put the burnt match, or frag-ment of cigar or cigarette and car-ry it in his pocket.

Greetings to friends and neighbors, Where lies your course today, Must you weep with those who weep, Or with the glad be gay? There is so much of sadness, We are sidden with the sorrowing, That we should ever mourn; Then through the waves of sun-shine You hear the Master's voice Bidding us with the joyful We should ever more rejoice.

Trial turmoil and tragedy have been written on the pages of last week's records. A dark shadow has spread its wings over homes of those not far away. Death has removed several loved ones. We would weep with those who weep, As Christians we should not be set down as a light unthinking people. If we spend our days in weeping we can carry no comfort to the sor-rowing. We read "Weeping tar-rieth but for a night, but joy com-eth in the morning, therein is com-fort."

## VOICE OF PEOPLE

Palatine, April 13, 1935.  
Editor, Palatine Enterprise,  
Palatine, Ill.

Dear Sir:  
Because of the prominence given to the address by Mr. G. Rex Volz of Arlington Heights in your April 12th issue, it seems fair that a reply should be submitted.

Before touching on the speech let me say that I am not a member of the Democratic party, I am not on relief, and that I admit that a great deal of constructive criticism can be fairly levelled at the present national administration.

But Mr. Volz's criticism is not constructive and after reading his address one must ask in vain: Well and good, but what are your plans, what do you propose?

Is the Roosevelt administration to blame for the condition in which the country found itself in March, 1933? Did we lose our bank de-posits by the billion during this or a Republican administration? Were millions upon millions of our citi-zens brought to the brink of starva-tion under Roosevelt or Hoover rule? Were any effective steps taken by your party administration between 1929 and 1933, to arrest the country's race toward destruc-tion?

Any intelligent eighth-grade pu-bil knows the answers to these questions.

Of course, there are more people on relief now than ever before. In this, our sixth year of depression, which, by the way, began during the first year of Hoover's adminis-tration—the savings of our people—what was left of their hard de-posits by the billion during this or a bank crashes under Hoover—have become exhausted? And let us not forget that people in need are no longer left to starve. But the Roosevelt administration is taking steps toward eliminating the relief rolls by substituting employment. What do you propose to do instead, Mr. Volz?

You are fond of quoting the Declaration of Independence as when you plead to "retain the life, lib-erty and pursuit of happiness with which God Almighty endowed them."

Do you not also recall this pas-sage from the same immortal doc-ument: "Whenever any form of gov-ernment becomes destructive of these ends, it is the right of the people to alter or to abolish it and to institute a new government, lay-ing its foundations on such prin-ciples and organizing its powers in such form as to them shall seem most likely to effect their safety and happiness."

After reading the wind-up of your spread-eagle oratory, I can-not

## WHO'S WHO

No business man too big to escape  
By GEORGE

### WALTER SIEBURG

Walter Sieburg, better known among the older people of the town as "Buck Sieburg" is one of very few business men, who really is a 100 per cent Arlington Heights citizen. He was born here some 40-odd years ago, lived here all his life and worked here all his life.

He was started on his career by Doctor Hanneman, the "Pop Jenks" of Arlington, back about 1912. Wal-ter helped around the store and in no time at all he bought him out.

Back in those days a drug store really was just that. But Walter was many jumps ahead of other druggists by the name of Walgreen.

He moved into larger quarters and sold everything a modern drug store of today should sell. His business grew by leaps and bounds and he bought the Bolte building, where he is now located.

He is about the quietest business man in town. Pleasant, courteous and unobtrusive. His one vice that I know of is a hot six handed game of pinochle. A bid of 1000, made with 10 to spare, is a bigger kick for him than a 6 no-trump bid is for Ely Culbertson and take it from his boy friends he can play six handed pinochle, a game where every man has two fistful of cards in his hand to play from and to remember.

Walter married Laura Meyer, a sister of our genial village treas-urer and he liked the entire fam-ily so much that he built a home next door to them years ago and he still lives there. All is well.

Walter has about the toughest competitor (Walgreen) that any business can have, yet you custom-ers can get everything the competi-tor sells, just as cheap, of better quality, probably and leave your money here at home. Go to his store, meet him, and you will buy from him for he is a dandy fel-low—a good honest business man. There isn't a better time than the present as he is having his one cent sale this week. Drop in and see for yourself.

## Tax Collectors Now Receiving Second Installment Taxes

The second installment of 1933 tax is now due and will be col-lected by the undersigned up to the penalty date which is May 1, 1935. A penalty of one per cent a month will be added after that date when payments must be made direct to the county treasurer in Chicago.

Taxes paid to local collectors must reach them not later than April 30, as they cannot accept taxes after that date. If you re-mit by mail, you must enclose a 3-cent stamp for the return of re-ceipted bill.

Local collectors will hold office hours as follows:

**Wheeling Township**  
Wm. Annen, tax collector of Wheeling township will collect taxes at Peoples' State bank, Ar-lington Heights, April 19, 20, 22, 23, 25, 26, 27 (afternoon and evening only), 29, 30.

Treasury 2 1/2s due March 15, 1955-1960

The exchange will be par for par but the Secretary of the Treasury has reserved the right to increase the issue price at any time but not earlier than April 29, 1935. In view of this reservation, it is very important that all holders of First Liberty bonds who wish the exchange offer tender them before April 29, 1935. Interest on all exchanges will be adjusted as of June 15, 1935.

## SEE THE Frigidaire '35 WITH THE FAMOUS SUPER FREEZER

NOW ON DISPLAY AT OUR  
FRIGIDAIRE SPRING PARADE

We extend a cordial invitation to you and your friends to attend the Frigidaire Spring Parade and see the beautiful new Frigidaires. Each of the 16 snow-white models has the new Super Freezer, affording greater convenience and economy and setting new stand-ards for efficient household refrigeration.

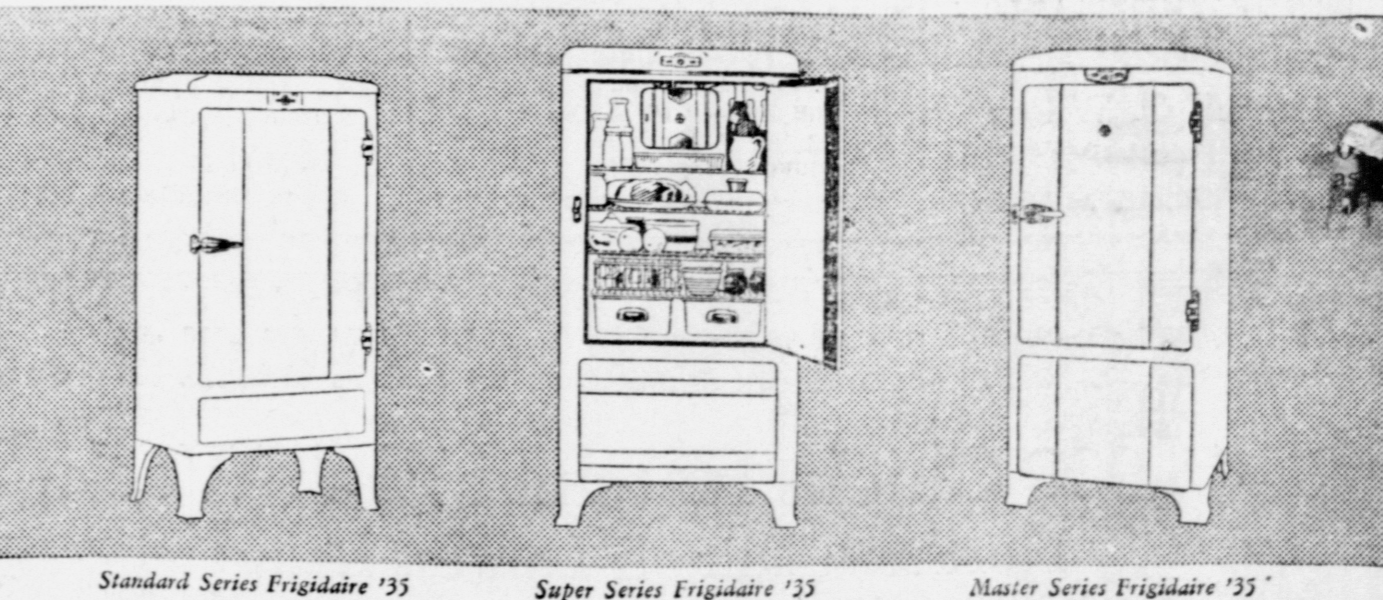

The Super Freezer makes possible a Com-plete Refrigeration Service. It provides the right kinds of cold for every purpose—all in the same cabinet. There's fast freezing for making ice cubes and desserts; frozen storage for meats and ice cream; extra cold storage for keeping a reserve supply of ice cubes; moist storage for vegetables and fruits; and normal storage below 50° for foods requiring dry, frosty cold.

Besides the Super Freezer, the new Frigidaire '35 has the Cold Control, automatic reset defrosting switch that turns the current on when defrosting is completed, automatic ice

tray release, and the interior of each is fin-ished in porcelain-on-steel.

Come into our showroom at your first op-portunity. See the Frigidaire Spring Parade! Then learn how easily you can have a Frigidaire of your own.
